

Robert Bray, CEO

Over 68 years ago, Sherman and Roxie Bray founded Bray and Company on a handshake and a promise to earn, every day, the trust of our clients.

Four generations later, the Bray real estate family now includes 100 agents and employees in the Grand Junction Residential, Commercial, and Property Management offices as well as a Rifle Residential and Property Management office.

Every single day, we earn our reputation all over again with a commitment to integrity and the desire to see people achieve their dreams.

Our mission is to be the premier provider of comprehensive real estate services on the Western Slope.

Our success will be measured in the achievement of our client's objectives, satisfaction and continued trust.
